

**MAKE YOUR BUSINESS
AS MOBILE AS YOU ARE.**

phoneSWIPE 

Turn your smartphone into a credit card terminal.

phoneSWIPE ™
Powered by North American Bancard

Phone Swipe – the newest mobile credit card processing solution, exclusively from North American Bancard. Phone Swipe transforms your smartphone into a credit card terminal, allowing you to take your business to your customers, wherever they are.

Options

Customizable Inventory

Reports

Lowest Rates Guaranteed

Phone Swipe offers the lowest rates starting at 2.69%.

Free Software App and Card Reader

Getting started is easy. Set up your merchant account, download the free software app from the App Store and once your account is approved, we'll send you a free card reader.

Real-Time Reporting

View real-time reporting, so you can create and view reports, and find and review individual transactions.

Customizable Inventory

Set up your inventory into easy to access categories along with inserting pictures from your photo library or take your own in just minutes.

E-mail Receipts

E-mail receipts to customers for sales, refunds and voids that include actual signatures and descriptions with images of items purchased. Plus with Google Maps™, customers can see where the transaction took place.

Tips & Tax

Set up default tip and tax percentages. Or use Geo Tax to automatically calculate the tax rate based on your current location.

Increase market reach. Expand your customer base. Increase revenue. And never miss a sale again.

Phone Swipe – making your business as mobile as you are.
